

Dear Friends of Safety City,

We are so excited to share our love of Safety City with you. Safety City is such a landmark to the community and for years has offered thousands of students a hands-on, safety learning experience. Even more exciting is the future of Safety City. We are currently in the process of making great changes and renewing our facility by increasing our learning opportunities. All this to happen by offering summer camps, hosting birthday parties, volunteer days and opening up for various community events.

Safety City is a non-profit organization that is dedicated to teaching children about safety. Support from businesses in Longview is imperative to keeping our facilities a fun place for children to visit! It is my desire that Safety City be the best that it has ever been and that cannot be possible without YOU!! We would love to have you partner with us in educating our youth through Safety City.

There are many ways that you can join us. One side of the building or the entire building is available for sponsorship. You could also sponsor one of our new electric cars. Not only will your name be on the building or car as a sponsor, your business name and logo will be on our website as well.

One-side building Sponsor- \$600 yearly

Entire building Sponsor- \$2,000 yearly

Garage Sponsor- \$5,000 yearly

Electric Car Sponsor - \$1,000 first year and \$750 each year after

Yearly one-time donation- any amount

We greatly appreciate your interest in helping us as we educate our children in safety.

Sincerely,

Iesha Robinson
